

HEFTY Collaboration Meeting

Date and location: June 1st through 3rd at Duke University

Getting there:

- Duke University is located in Durham, NC
- Closest airport is Raleigh-Durham International Airport (RDU), about 25 minutes by car from campus. All major airlines offer multiple flights per day to all major hubs
- Driving distance from JLab

Address:

Physics Building (room 298)
120 Science Drive
Durham, NC 27708

Parking:

Duke Parking Garage IV <https://maps.duke.edu/?focus=2014-W9>

Lunch:

- plenty of options available in walking distance at the Brodhead Center:
<https://maps.duke.edu/?focus=35>

Accommodation:

1. [AC Hotel Durham](#) (walking distance)
2. [Hilton Garden Inn Durham/University Medical Center](#) (need to use hotel shuttle)
3. [Residence Inn by Marriott Durham McPherson/Duke University Medical Center Area](#) (they should have a shuttle)
4. [JB Duke Hotel](#) (on campus, expensive)
5. [Washington Duke Hotel](#) (on campus, expensive)
6. [21c Museum Hotel Durham](#) (downtown, need Uber to come to campus)
7. [The Durham Hotel](#) (downtown, need Uber to come to campus)

Places that are close, but I'd be a bit weary about are (they cater mostly to people who need to visit the hospital):

1. The University Inn: <https://universityinnduke.com/index.html>
2. The Lodge at Duke Medical Center <https://www.lodgeatdumc.com>

And finally, **do not book the Millenium Hotel!!** My overall recommendation is to stay at the AC Hotel or the Hilton Garden Inn - we're regularly putting visitors there
